

E.L. SIMETH CO., INC.

SINCE 1945

Lubricants for Die Makers

This white, high quality solid lubricant has unusual dispersing properties. It forms a persistent protective film, making it ideal for use with die sets on "Friction" posts and bushings as well as other tool applications.

Available in 1/2 lb. tubes, 14 oz. cartridges, and 35 lb. pails.

DIECO DIEMAKERS GREASE

Description	Part #	Price Each	12 + Price
